CODING

Write a program to find the Factorial of the given number

```c
#include <stdio.h>
int main()
{
   long int fact=1;
 int i,num;
//printf("\nPlease enter a number to find factorial : ");
 scanf("%d",&num);

 if (num<0)
 {
 //printf("\nPlease enter a positive number to");
 return 1;
 }
for(i=1;i<=num;i++)
{
        fact=fact*i;
 }
 printf("%ld\n",fact);
 return 0;
}
```
